Mare owner agrees to provide Red River Equine LLC with the results of the pregnancy exam no later than 30 days after insemination with last breeding date.

6. Limited live foal guarantee: A live foal is defined as one that will stand and nurse. If foal is born dead, mare owner agrees to furnish the stallion owner, within 7 days, a certification that the foaling was an attended foaling and deliver a written statement from a licensed veterinarian giving details required to substantiate the failure of the mare to produce a live foal. The mare owner will have the same right to substitute a different mare for the rebreeding provided that the substitute mare has been approved by Red River Equine LLC.
